- The Macmillan information was very simple and easy to read. That's what people need when they're trying to manage a very difficult diagnosis.

Shola, diagnosed with thymus cancer in 2013

- Since my diagnosis, Macmillan has been there every step of the way. I'd encourage anybody affected by cancer to contact Macmillan.

Gary, diagnosed with leukaemia in 2008

CANCER SUPPORT**

CANCER? WE'LL HELP YOU MAKE SENSE OF IT ALL.

Get ongoing tailored information and support you can trust, from day one.

WE'RE WITH YOU FROM DAY ONE

From knowing what questions to ask your doctor, to helping you understand more about your treatment options and how to prepare for them.

FIGURING OUT YOUR FINANCES

If you're worried about paying the bills, we have information on everything from mortgages to pensions, insurance and savings. And our financial guides are on hand with expert help if you need it.

You can also access our free financial support tools, like our online budget checker, to help you find new ways to manage your money.

COPING WITH WORK

Our work support advisers and online information can help with everything from how to talk about your diagnosis with your boss, to helping you get the support you need to stay in work, if that's what you choose to do.

GUIDING YOU AND YOUR LOVED ONES THROUGH IT

Whether it's how to break the news, or helping you manage changes in your relationships, we can help.

As well as giving you information to cope with possible side effects of treatment, or any anxiety you may face.
