You can search the directory to find information about support to help you live independently such as home care, equipment and services to keep you safe at home, as well as clubs and activities.

You can use Live Well Cheshire East to look for services and support such as carer services if you look after someone; information about benefits and money management; and support groups for people with health conditions.

Plus, the Local Offer details the support available for children and young people with special educational needs and disabilities (SEND).
