Dear Patient,

New Service for patients over 75 years

You may be aware that from April, all practices are required to provide all their patients aged 75 years and over with a named GP who will have overall responsibility for the care and support that our surgery provides to them.

As one of our patients in this age group, Dr. M. Taylor will be your named GP.

Dr. M. Taylor will have overall responsibility for the care and support that our surgery provides to you. *This does not prevent you from seeing any GP in the practice, as you currently do.*

You do not need to take any further action, but if you have any questions, or wish to discuss this further with us, please contact us on 01260 275454.

Yours sincerely,

Mrs. Melanie Lyman
